PARTNER WITH CODEMED

We are an organization of experienced health information management and medical billing professionals dedicated to helping our physician clients administer all their medical settings with maximum efficiency.

We provide time and cost effective REVENUE CYCLE MANAGEMENT AND BILLING SERVICES.

Our insight into your business process may reveal that a few small changes in procedure are all that's needed to avert unpleasant surprises from insurers and expedite your cash flow. We will get you full, accurate and timely reimbursement for your services.

Our mission is to assist physician medical practices to improve profitability with more appropriate and reimbursement procedures.

We hold ourselves to the highest ethical standard and always are in strict compliance with regulatory agencies.
